

Wimborne Weekly - Sept 4

Our new history timeline outside the school library. WPS has a special mention.

Parent and Pupil Survey!

At the end of last year, we offered all parents an opportunity to feedback on their experiences at Wimborne Primary School. Thank you for taking the time to complete our survey. We had some brilliant responses and it's great to know that the vast majority of parents are really happy with the experiences they and their children have at Wimborne, especially considering the disruption of the last 18 months.

97% of parents say their child feels happy and safe in our school.

96% of parents believe Wimborne provides creative, broad and balanced experiences that fully enrich our children, in line with our school vision.

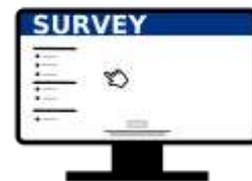

96% of parents feel our school maintains high standards of behaviour.

95% of parents believe our school is well led.

95% of parents feel they are well informed about their child's learning through the year.

94% of parents would recommend our school to a friend.

Pupils also had an opportunity to complete a pupil survey and give their thoughts and feelings about their experiences at Wimborne. The newly elected school council will be reviewing the findings and will share those with you in the future.
