Wimborne Weekly - Oct 4

Thank you for our Harvest Success!

A huge thank you to everyone for your generous donations for our Harvest Festival. All of which have been given to the Portsmouth Food Bank.

All Stars Café

Due to popular demand our school café will be re-opening soon. The café will open on a Friday from 8:45 a.m. - 9:00 a.m. with a selection of coffee, tea, cold drinks and home baked goodies available whilst having a chat with the pupils, staff, friends and family. Opening date will be confirmed

soon!

Planetarium visits Wimborne

As part of the Year 4 & Year 5 topic, this half term, we had a visit in school from a Planetarium. We were able to view the night sky through visual projections onto the domed roof. We were amazed by how many stars there are and we even looked at some of the planets. Here are some of the comments from the children after the event;

Chloe said, 'It wasn't as big inside as I thought but I found out that the moon is made out of a material like metal. On Mars, there is a big robot that was moving on wheels and it goes really gently.'

Frazer in Lepus class said, 'It was amazing, I didn't know there were different coloured stars, I only thought

they were white ones but there are red, blue, white, orange and yellow ones!'

Jesse remembered, '1.3 million Earths could fit into the sun.'

Sidney remarked, 'There are billions of stars in the galaxy. There are even more galaxies in the universe!'

Katie said, 'It was amazing, it felt like we were in space!'

Astrid in Lynx class reported, 'The dome was really quite dark inside but we got to experience the planetsand different constellations.'

Beatrice replied, 'We saw Cassiopeia, Hercules and the dolphin Delphinus, some of our class names'.
