Monday 18th July 2022

Dear Parents/Children of Wimborne Primary School

**Wimborne Geography Challenge - Summer Competition**  
Wimborne trip advisor/travel agent video presentations

As the geography manager of the school, I am setting the children a challenge that they might like to get involved in over the summer holidays. (To go alongside the postcard competition.) This is **to produce a mini video, to explain a place that they have visited**. This could be about the place you visit over the summer holidays or even just local places like Southsea/Eastney or Milton. (One of last year's winners did it on Southsea)

Think about, what you can see and do there, why people might want to visit. You could even talk about the culture of the place or interesting facts and data that you have found out. Remember the audience – other adults and children in our school, so make it interesting and informative.

**It should be no longer than 1 ½ minutes in length.**

**Save it onto a named memory stick.**

**Put the memory stick in a named envelope and hand it to your teacher in September.**

**Or email: [vwilson@wimborne.portsmouth.sch.uk](mailto:vwilson@wimborne.portsmouth.sch.uk)**

**Closing date for this challenge will be Monday 19th September 2022.**

You might like to have a look at this link - <https://www.youtube.com/watch?v=TjtAhCltdBw>, where a boy talks about his visit to Thailand. The children have seen videos like this in the language of the half term assembly.

However, **you can only enter if you have sent /brought into school a postcard.**

Depending on the amount of interest, the intention is to share these in our classes first, vote for the best in the year group and then show the winners in an assembly.

Have fun writing your post card and creating your video presentations about the place you have visited.

Yours sincerely

Mrs V. Wilson  
(Geography manager)
