

Wimborne Weekly - Sept 3

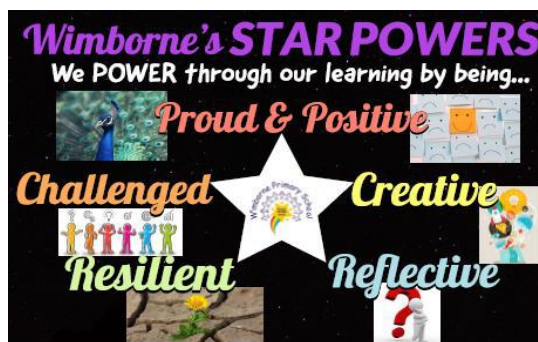

Our school motto - 'Reach for the stars'

All children have been asked to think about which 'star' they are reaching for and hoping to achieve this year. WPS's Star Values, as chosen by the children, are: Sincerity, Teamwork, Achievement, Respect. At the end of each week, one child is chosen as 'Star of the week' in their class. For this award, they will have demonstrated one or more of our star values. Each star value is also awarded in Celebration Assembly to children; they receive a certificate and the star value trophy to keep in their class for that week. Children can be nominated by staff or children.

Wimborne's Vision & Values

Along with this week's newsletter you will have received a copy of our Wimborne Primary School's Vision. Here we share with you what we strive to achieve for your child during their time with us. Alongside our vision are our school values and learning values. Our 'STAR' Values link to our behaviour and our 'STAR' Powers link to our attitude to learning.

Parents' Evening - Monday 17th and Wednesday 19th October.

These 10 minute meetings are an opportunity to discuss how your child has settled back to school, their progress and their targets for this term. We have emailed you a letter today about how to book an appointment and we encourage you to book a time slot. Please email the school office if you would like an appointment with either Mrs Halford (Chair of Governors), Mrs Jacobs (Headteacher), Ms Rowlands (SENCO) or Mrs O'Mahony (Pastoral & Family Support Worker); we will all be in the hall to welcome you and we are very much looking forward to being able to have parents back in school once again.

Recycling at Wimborne!

At school we recycle milk bottle tops, postage stamps, ink cartridges, batteries and sports bottle tops and lids. Some of these items raise money for charity, others are for use in lessons. Please bring in your recyclable items and put in the appropriate bin / box in our recycling area inside the Y1/2 cloakroom areas.

Parent Suggestions

We welcome constructive suggestions and feedback from members of our community. You can find our suggestion box in the school reception area, just complete the form next to it and drop it in the box. Or email the school office at office@wimborne.portsmouth.sch.uk

One of the suggestions we have received recently was to have recycling bins in the playground to educate and encourage all the children to recycle. Please see the box to the left about recycling.

We celebrate children's achievements in and out of school; please let us know of your child's achievements.

Wimborne Star Values

Sincerity

Liliana Papp	Aquila
Ophelia White	Equuleus

Teamwork

Andromeda Class
Lacerta Class

Achievement
